***Non-GAAP Measures:** In addition to reports presented in accordance with generally accepted accounting principles (“GAAP”), this release contains certain non-GAAP financial measures. The Company believes that such non-GAAP financial measures provide investors with information useful in understanding the Company’s financial performance. Readers of this release, however, are urged to review these non-GAAP financial measures in conjunction with the GAAP results as reported. These non-GAAP financial measures are detailed as supplemental tables and include “Adjusted Net Income,” “Adjusted Diluted EPS,” “Efficiency Ratio,” “Net Interest Margin, tax equivalent,” “Tangible Book Value per Common Share,” “Adjusted Tangible Book Value per Common Share,” “Adjusted Return on Average Assets,” and “Adjusted Return on Average Common Equity”. Refer to non-GAAP reconciliation tables herein for reconciliation to comparable GAAP measures. While the Company believes these non-GAAP financial measures provide investors with a broader understanding of the capital adequacy, funding profile and financial trends of the Company, this information should be considered as supplemental in nature and not as a substitute to the related financial information prepared in accordance with GAAP. These non-GAAP financial measures may also differ from the similar measures presented by other companies.

Forward Looking Statements

This document may contain certain forward-looking statements about First Mid Bancshares, Inc. (the “Company”), such as discussions of the completed merger of Two Rivers Bank & Trust (“Two Rivers”) into First Mid Bank & Trust (“First Mid”), the Company’s pricing and fee trends, credit quality and outlook, liquidity, new business results, expansion plans, anticipated expenses, capital management, and planned schedules. The Company intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies and expectations of the Company, are identified by use of the words “believe,” “expect,” “intend,” “anticipate,” “estimate,” “project,” or similar expressions. Actual results could differ materially from the results indicated by these statements because the realization of those results is subject to many risks and uncertainties, including, among other things, changes in interest rates; general economic conditions and those in the market areas of the Company and First Mid; legislative and/or regulatory changes; monetary and fiscal policies of the U.S. Government, including policies of the U.S. Treasury and the Federal Reserve Board; the quality or composition of the Company’s loan or investment portfolios and the valuation of those investment portfolios; demand for loan products; deposit flows; competition; demand for financial services in the market areas of the Company and First Mid; and accounting principles, policies and guidelines. Additional information concerning the Company, including additional factors and risks that could materially affect the Company’s financial results, is included in the Company’s filings with the SEC, including its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. Forward-looking statements speak only as of the date they are made. Except as required under the federal securities laws or the rules and regulations of the SEC, the Company does not undertake any obligation to update or review any forward-looking information, whether as a result of new information, future events or otherwise.

Ag Loan Portfolio Highlights

Total Ag Portfolio

Ag Loans by Geography

- Ag loan portfolio totaled \$783 million or 11% of outstanding loans at June 30, 2026
- Majority of the portfolio is Ag Real Estate and secured by highly productive farmland with a 45% LTV
- Historically low net charge offs with only \$5.0 million in net ag real estate charge offs between 2000 and 2025
- Ag portfolio credit metrics are normalizing from historic lows due to the challenging operating environment; however, due to conservative underwriting including strong collateral values, borrower balance sheet strength, and guarantor support significant losses are not anticipated .
- Farmland has historically provided double-digit total annual returns over multiple decades, with low volatility and demonstrated resilience during financial downturns

Solid Asset Quality Metrics

- Current ACL balance and historically strong credit performance remain in a position of strength and provide confidence during times of economic uncertainty.
- Net charge-offs totaled \$1.4 million for the quarter, compared to an average of \$1.3 million per quarter in 2025
- Non-performing assets to total assets improved to 0.51% in the second quarter, compared to 0.53% in the first quarter.
- Non-performing loans to total loans improved to 0.60% in the second quarter, compared to 0.63% in the first quarter.
- Special mention loans decreased by \$40.5 million to \$139.2 million. Substandard loans increased \$30.8 million to \$139.9 million. Overall criticized assets declined by \$9.7 million during the quarter.

Strong Credit Culture

First Mid has strength in its long-standing and disciplined credit culture with consistent underwriting and continual stress testing regardless of the economic cycle.

Net Charge-Offs as a % of Average Loans

- Historical FMBT net charge-offs have averaged only 14 bps per year over the last 20 years
- The US banking industry net charge-offs have averaged 83 bps over the last 20 years
- The current ACL balance (\$87.0 million) at 6/30/26 is greater than the total net charge offs (\$45.1 million) over the last 20 years (2006-2025)

*The 20-year avg NCOs/Avg Loans reflects the time period between 2006 and 2025

**The industry average is a 20-year average of Loan Performance: Total Loans & Leases: Net Charge-Off Rate provided by the Federal Reserve Bank of St. Louis

Non-Interest Income Sources

First Mid's diverse sources of revenue provide stability in both rising and declining rate environments

Fee income represented approximately 27% of total revenue in Q2'2026 and approximately 26% of total revenue the last twelve months, through June 30, 2026.
