Q1 2026 Investor Presentation

March 2026

Forward-Looking Statements and Non-GAAP Financials

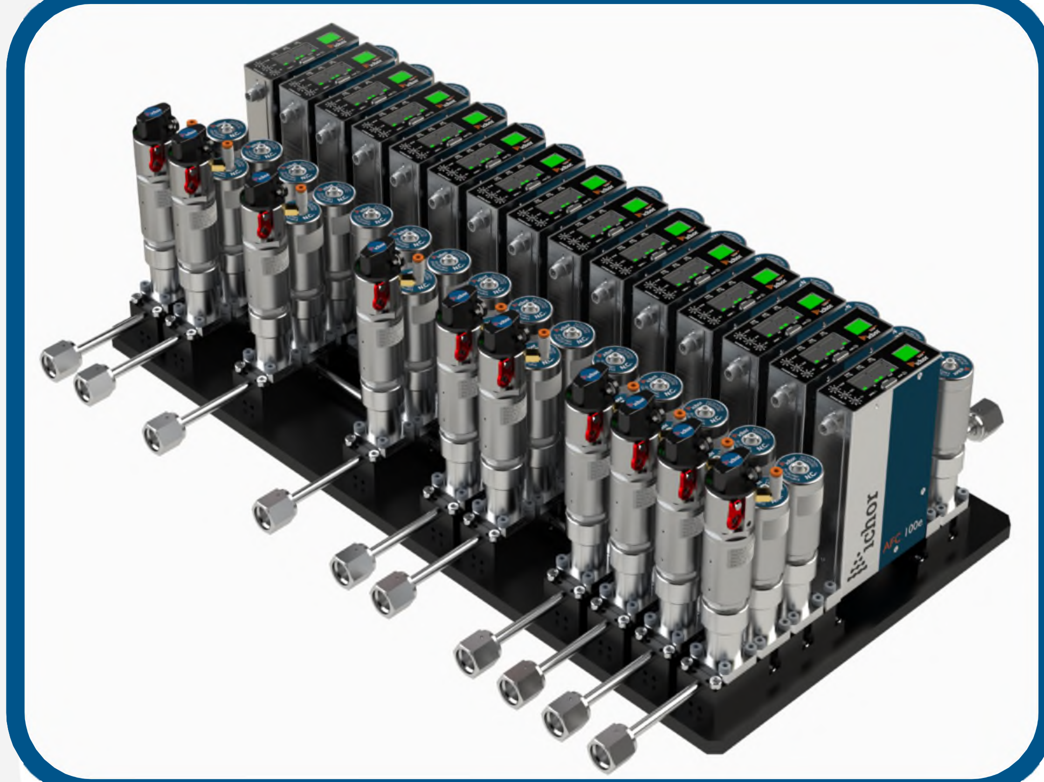
This Presentation and the accompanying oral presentation include "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, regarding Ichor Holdings, Ltd. and its subsidiaries ("Ichor" or the "Company"), its financial condition, its results of operations and the potential offering that reflect the Company's current views and information currently available. This information is, where applicable, based on estimates, assumptions and analysis that Ichor believes, as of the date hereof, provides a reasonable basis for the information contained herein. Forward-looking statements can generally be identified by the use of forward-looking words such as "may", "will", "would", could", "expect", "intend", "plan", "aim", "estimate", "target", "anticipate", "believe", "continue", "objectives", "outlook", "guidance" or other similar words, and include statements regarding Ichor's plans, strategies, initiatives, objectives, targets and future operating or financial performance. These forward-looking statements involve known and unknown risks, uncertainties and other factors (including those set forth under "Risk Factors" in Ichor's prospectus), many of which are outside the control of Ichor and its representatives. Actual results, performance or achievements may differ materially and potentially adversely from any projections and forward-looking statements and the assumptions on which those forward-looking statements are based. There can be no assurance that the information contained in this Presentation is reflective of future performance to any degree, and readers are cautioned not to place undue reliance on forward-looking statements as a predictor of future performance. All information in this Presentation speaks only as of the date hereof unless otherwise specified. Ichor undertakes no duty to update or revise the information contained herein, publicly or otherwise, whether as a result of new information, future events or otherwise. Forecasts and estimates regarding the Ichor's industry and end-markets are based on sources we believe to be reliable; however, there can be no assurance these forecasts and estimates will prove accurate in whole or in part.

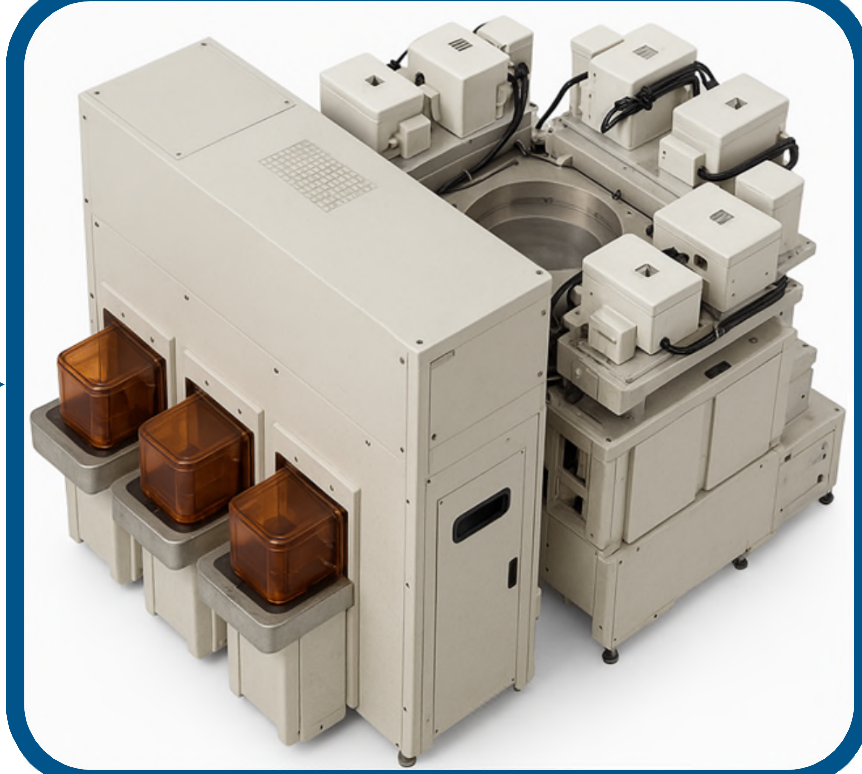
This Presentation includes certain financial measures not presented in accordance with generally accepted accounting principles ("GAAP"), including, but not limited to, adjusted net income from continuing operations and certain ratios and other metrics derived therefrom. These non-GAAP financial measures are not measures of financial performance in accordance with GAAP and may exclude items that are significant in understanding and assessing Ichor's financial results. Therefore, these measures should not be considered in isolation or as an alternative to net income, cash flows from operations or other measures of profitability, liquidity or performance under GAAP. You should be aware that Ichor's presentation of these measures may not be comparable to similarly-titled measures used by other companies. Non-GAAP reconciliations are contained at the end of this document and in Ichor's SEC filings.

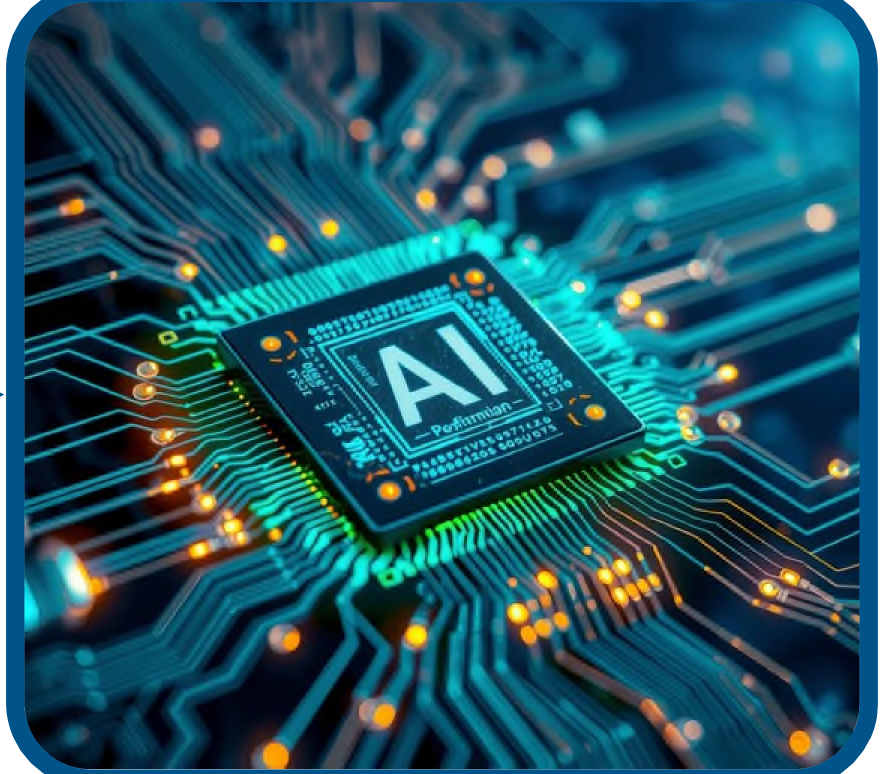
This Presentation also contains estimates and other statistical data made by independent parties relating to market size and growth and other industry data. These data involve a number of assumptions and limitations, and you are cautioned not to give undue weight to such estimates. The Company has not independently verified the statistical and other industry data generated by independent parties and contained in this presentation and, accordingly, it cannot guarantee their accuracy or completeness. In addition, projections, assumptions and estimates of its future performance and the future performance of the markets in which it competes are necessarily subject to a high degree of uncertainty and risk due to a variety of factors. These and other factors could cause results or outcomes to differ materially from those expressed in the estimates made by the independent parties.

Who Is Ichor?

A Foundation of the Semiconductor Industry







25 Years of Driving Innovation and Enabling Semiconductor Industry Growth

A Stronger, More Competitive Ichor

Sources: TechInsights
Yole Group

Competitive Cost. High-Growth Markets. Expanding Margins.

Cost Transformation

*Driving a more **competitive cost** structure through **efficiency gains**, resilient supply chain, automation, and **regionally aligned capacity**.*

Strong Secular Tailwinds

*Well-positioned in **Etch and Deposition**, a market segment expected to grow at **14-16% CAGR** with AI and vertical scaling driving **durable growth**.*

Strategic Differentiation

*Becoming a **differentiated**, high-value solutions provider through innovation, **10x SAM expansion**, and **vertical integration**.*

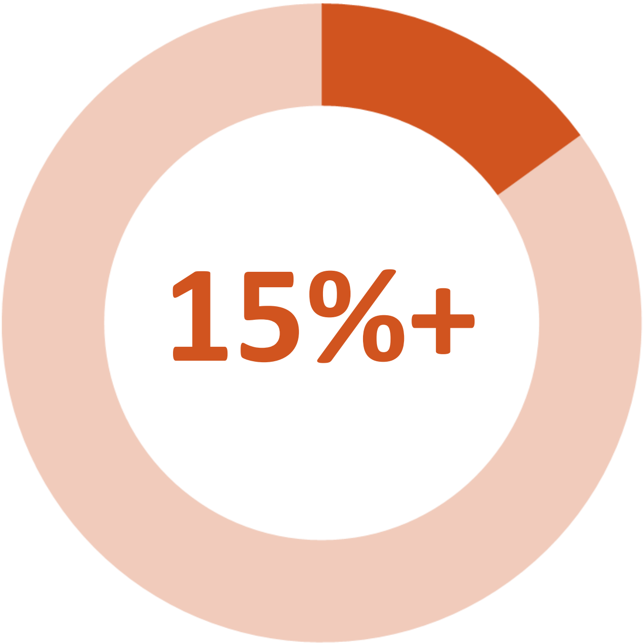
Cost Transformation

Operational Excellence for a More Agile Ichor

Global Footprint Realignment

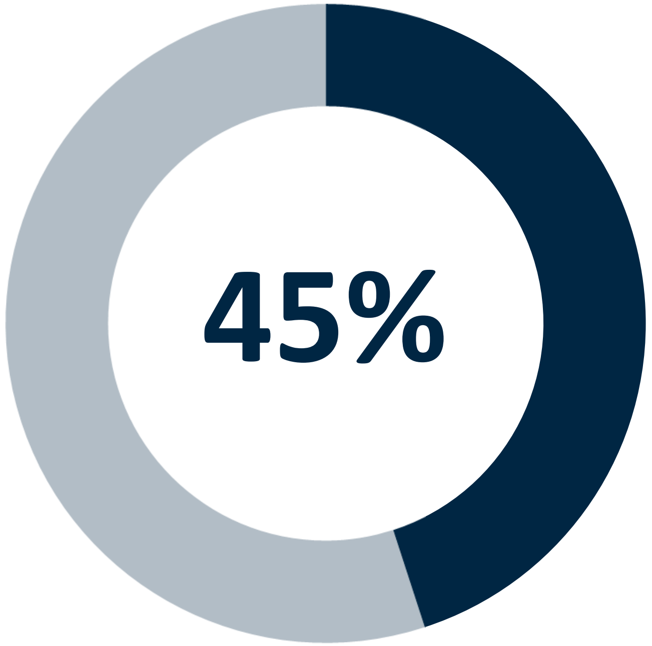
Higher revenue per square foot.

Cost Management



Material and build cost reduction.

Faster Ramps



Shorter cycle time and faster product ramps.

Efficient operations, competitive cost structure, faster time to market

Technology Inflections

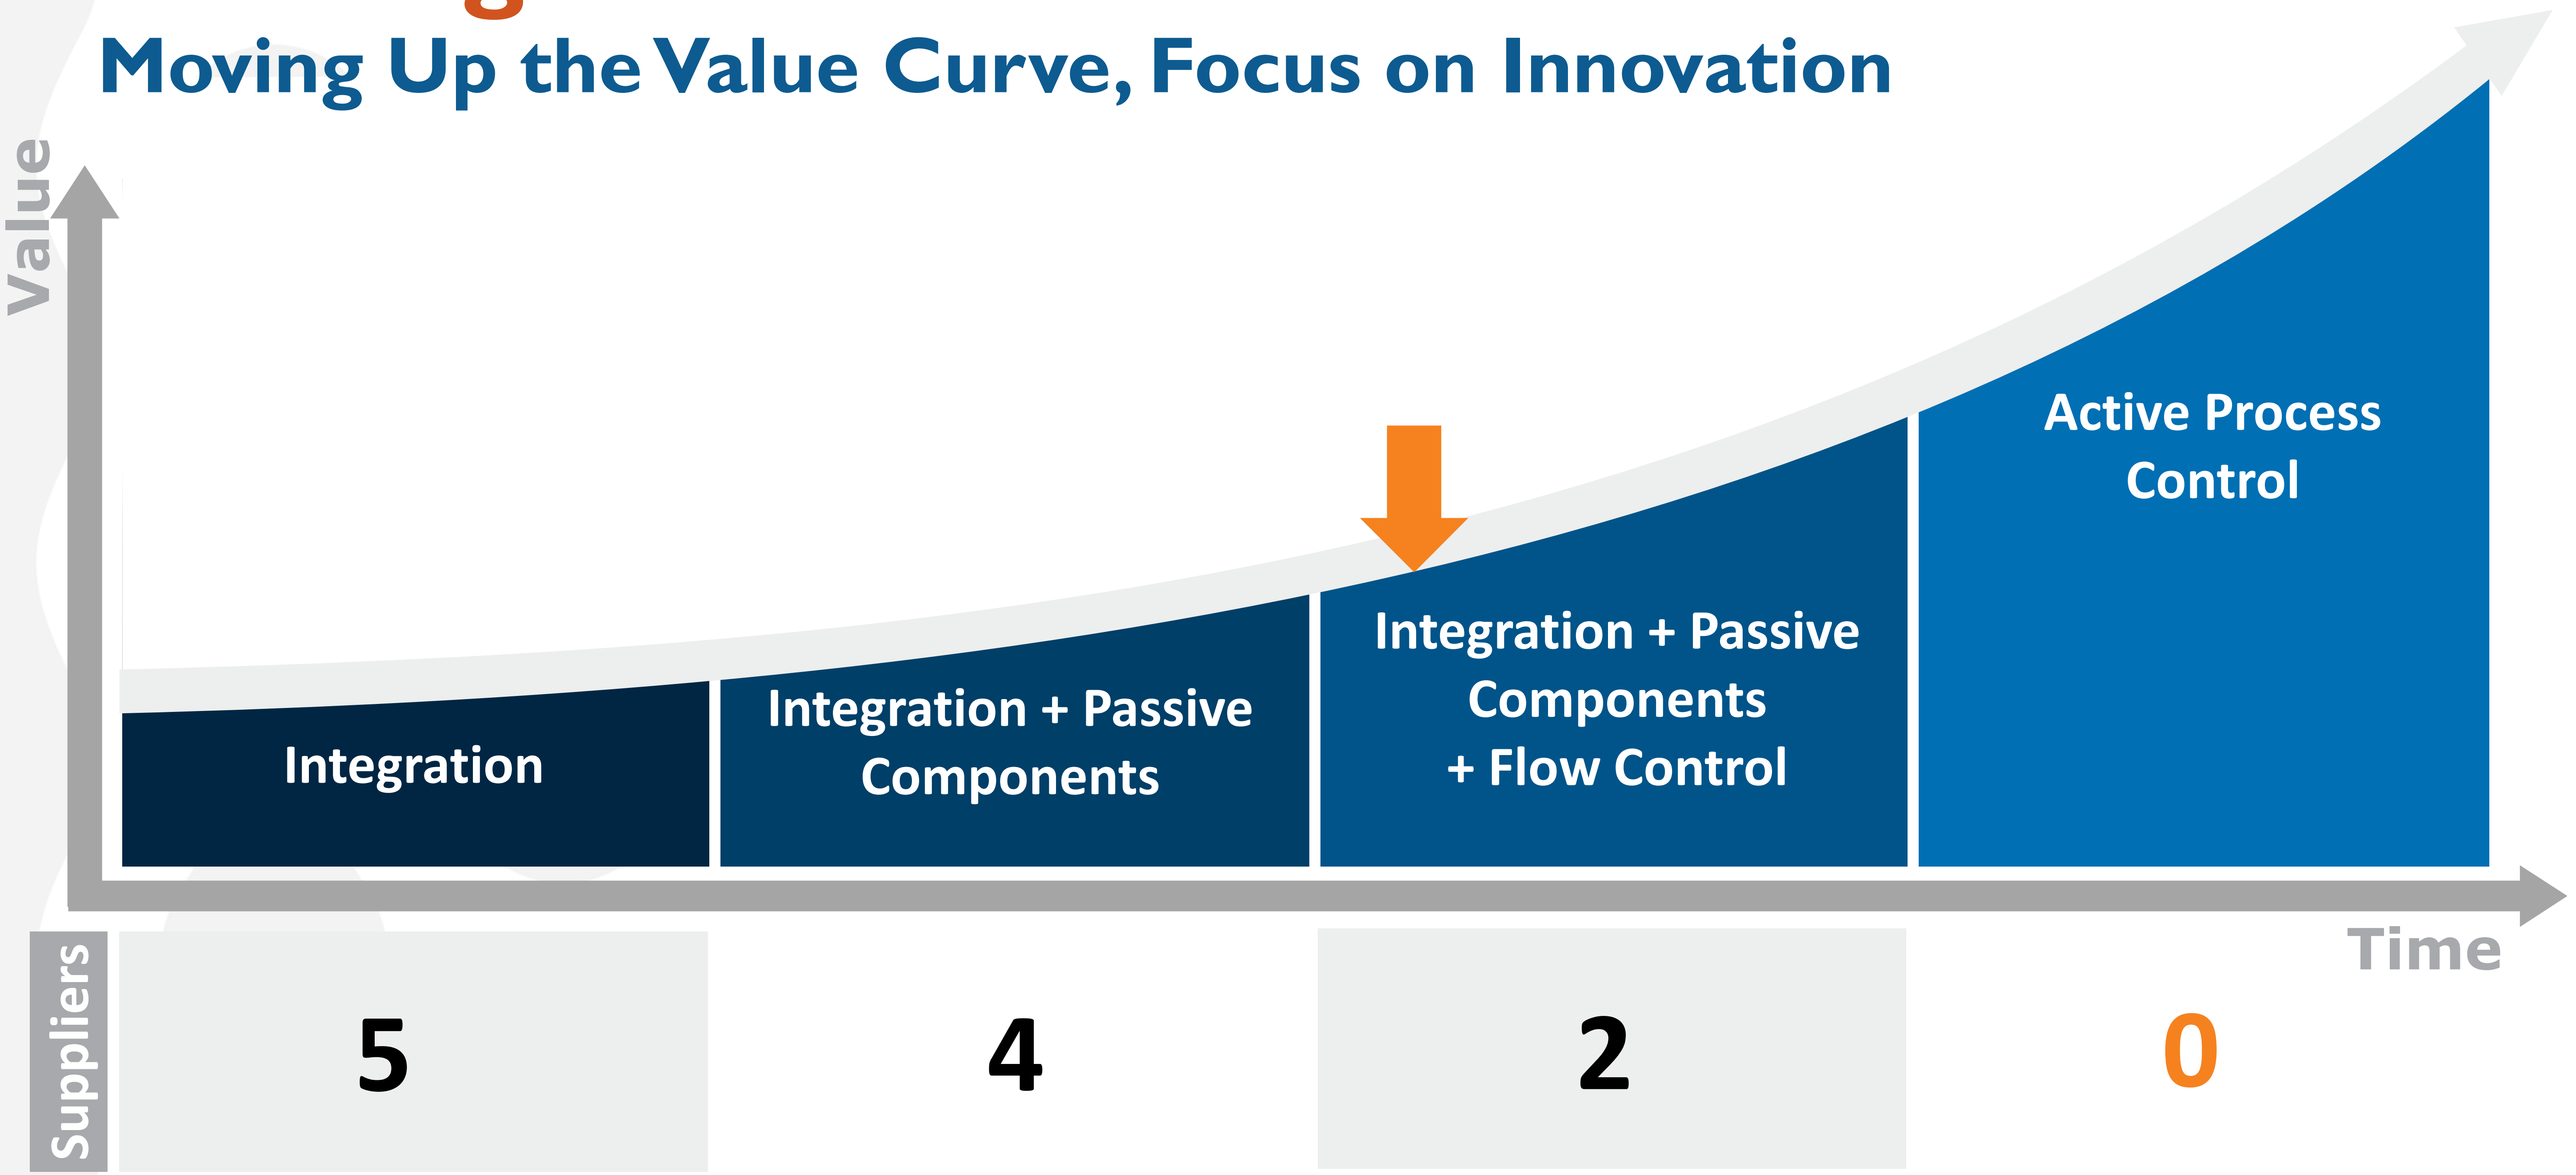
Trends Driving Increased Need for Ichor Products

Sources: TechInsights
Yole Group

	Vertical Scaling	Advanced Packaging
	 	Drivers	*AI, Power, Compute and Memory Density, Angstrom-level Precision*	Backside power and reduced memory latency
Applications	*3D-NAND, Gate-All Around, 3-D DRAM ALD, ALE, EPI, Deposition Intensive, EUV*	*ECD, Through Silicon Vias, 2.5-D Scaling*
Market Impact	Vertical Scaling WFE ($B) 	Advanced Packaging WFE ($B) 
Deposition and Etch estimated to grow at a 14-16% CAGR, highly leveraged to these segments

Turning the Ocean Blue

Moving Up the Value Curve, Focus on Innovation



Position Ichor to drive active process control to be THE leader in gas control segment

Key Financial Strategies:
Outgrow WFE and Drive Strong GM Flow-Through

Outgrow the Industry	Drive Gross Margin Improvement
Key technology inflections driving increased gas/fluid delivery SAM	Grow share in higher-margin components businesses
Levered to high-growth segments including emerging etch, deposition, EUV applications	Increase content of proprietary IP
Capitalize on SAM expansion – New Products, Machining and sub-assemblies, and Non-semi machining	Drive incremental cost reduction programs
Accretive and complementary M&A	Capture additional non-semi machining business

Combined with Tight Control of OpEx to Drive Significant Earnings Leverage

Along with Capital-Efficient Business Model to Drive Significant Free Cash Flow

Short Term Outlook

Q1'26 NON-GAAP GUIDANCE

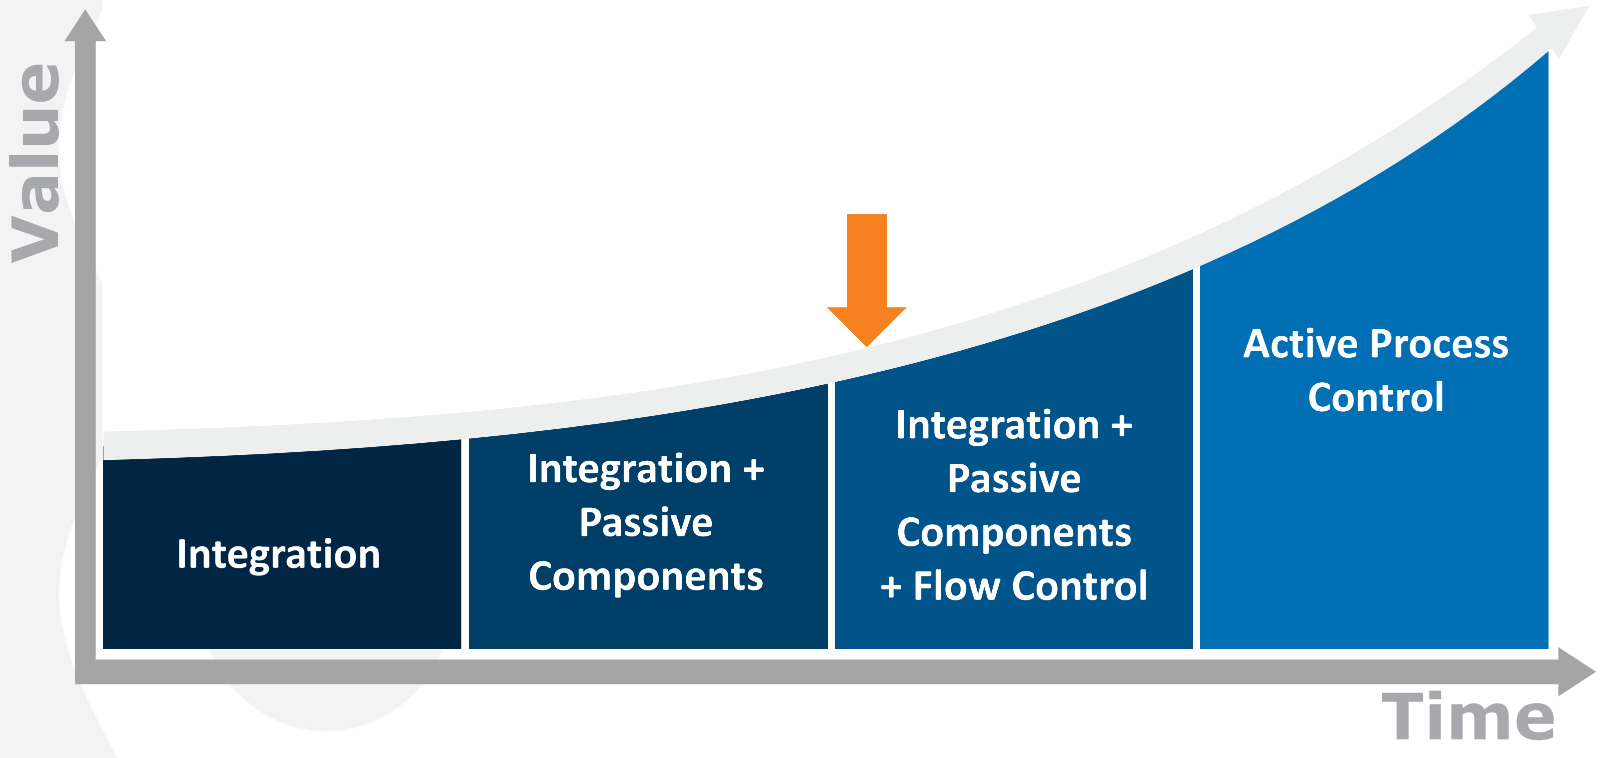
Investment Summary

Why Ichor – Value Creation

Differentiated Strategy



Investment Highlights

- Strong balance sheet and financial discipline
- Positioned to capture the semiconductor WFE ramp
- Building a differentiated IP and product-based business model
- Expanded SAM with clear design win traction
- Driving disciplined operating performance and reducing cost structure

Well-positioned to outgrow served markets and drive earnings leverage
