Third Quarter 2026 Financial Results

Stellantis N.V. ("Stellantis") has announced that its Third Quarter 2026 Financial Results will be released on Wednesday, October 28, 2026.

Stellantis management will host a live audio webcast and conference call to discuss Q3 2026 results on that day at 1:00 p.m. CET / 8:00 a.m. EDT. The conference call and recorded replay will be accessible in the Investors section of the Stellantis corporate website at the link below.

Recommended Method for All Participants to Join the Event

Participants are strongly encouraged to join the event through the live webcast link below (it is preferable to use Google Chrome):

https://stellantis.engagestream.euronext.com/q3_2026_financial_results

Alternative Method for Sell-side Analysts to Join the Event and Ask Questions

Sell-side analysts who wish to ask questions during the event should use the conference call dial-in link provided below:

https://engagestream.euronext.com/stellantis/q3_2026_financial_results/dial-in

Please join the webcast at least 10 minutes before the event begins to ensure a stable connection.

The related press release and presentation materials are expected to be available in the Investors section of the Stellantis corporate website at approximately 8:00 a.m. CET / 3:00 a.m. EDT on Wednesday, October 28, 2026. They can be accessed at: https://www.stellantis.com/en/investors/events-and-presentations.
