Safe Harbor

This presentation and the accompanying slides (the "Presentation"), which have been prepared by Dev Information Technology Limited (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever.

Certain statements in this Presentation concerning our future growth are forward-looking statements, which involve some risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. While we strive for accuracy and completeness, DEV IT offers no warranties or representations—express or implied—regarding the reliability, suitability, or availability of the details provided. The Presentation might also include forward-looking statements about our future operations, financial outlook, and overall performance. These forward-looking statements are subject to various risks and uncertainties, and the actual outcomes might vary considerably from the projections.

Conclusively, DEV IT, its partners, affiliates, agents, or employees shall not bear liability for any losses, damages, or inconveniences, whether direct or consequential, arising from the utilization or inability to use the information within this Presentation.

“Driving Digital Transformation via Cloud, Automation & Data”
